

Sustainable integration of renewable fuels in local transportation (SEAFUEL)

SEAFUEL HYDROGEN DAYS

Location: Tenerife, Canary Island (Spain)
Date: 30th March to 1st April 2022

Date	Time	Agenda	Participants	Description
		Room Cibeles, Cleopatra Hotel – Las Americas – Tenerife, Canary Islands		
30/03/2022	09h30 -10h00	Registration, networking and complementary coffee		
	10h00 -10h10	Welcome to SEAFUEL event and Hydrogen Triple Alliance. Pau Farràs – NUI Galway		
	10h10 -10h30	Strategy for the Atlantic islands. Ismael Morán-García - Joint Secretariat INTERREG Atlantic Area		
	10h30 – 10h50	Moving towards climate neutral islands. Jan Cornillie - Clean Energy for EU Islands Secretariat		
	10h50 – 11h10	Clean islands transition linked to sustainable tourism. John Dale Beckley – Canary Green		
	11h10 – 11h30	Hydrogen innovation in islands. Pedro Casero - Hydrogen Europe Research		
	11h30 – 11:45h	Break		
	11h45 – 12h05	Green hydrogen production from solar and seawater. Bill Ireland – Logan Energy		
	12h05 – 12h25	Wind to hydrogen, on-shore vs off-shore. Frank Adam – GICON Gruppe		
	12h25 – 12h45	Marine Energy harvesting to hydrogen. Diana Raine – Smart Hydrogen Consulting		
	12h45 – 13:15h	Panel discussion and Q&A audience		

Date	Time	Agenda	Participants	Description
	13h15 – 14:30h	Lunch break – Research poster showcase		
	14h30 – 14h50	Hydrogen Island Roadmaps – The Tenerife case. Josh Williamson – HyEnergy		
	14h50 – 15h10	HGV mobility in islands, infrastructure deployment. Jon Bjorn Skúlason – New Icelandic Energy		
	15h10 – 15h30	Implementation of a hydrogen project, refuelling urban buses. Andrew Morrison - Energia		
	15h30 – 15h50	Delivering of green hydrogen for mobility, maritime and remote energy production. Marc Lavine - Sunrhyse		
	15h50 – 16h10	Hydrogen fuel cells as a reliable power supply. Santiago Díaz - Instituto Tecnológico de Canarias		
	16h10 – 16h30	REXH2: The on-board solution for zero-emission navigation. Fernando Szabados – EODev		
	16h30 – 16h50	An all-island approach, the Mallorca Case. María Jaén - Enagas		
	16h50-17h20	Panel discussion and Q&A from audience		
	19h30-20h00	Group dinner TBC		

Date	Time	Agenda	Participants	Description
	10h00 – 10h30	Transport to ITER facilities – Granadilla de Abona (to be arranged)		
31/03/2022	10h30 – 11h30	SEAFUEL H2 Refuelling Station presentation. <ul style="list-style-type: none"> ITER’s CEO: Eduardo Ballesteros SEAFUEL coordinator: Pau Farras Atlantic Area Programme: Ismael Morán-García Visit to the pilot plant.		
	11h30 – 12h30	Visit to other ITER’s facilities (Photovoltaics laboratory, D-ALiX, supercomputer TeideHPC - TBC)		

Date	Time	Agenda	Participants	Description
	12h30 – 13h30	Cocktail at ITER's Visitor Centre		
	14h00-17h00	SEAFUEL partners meeting - TBC		

Date	Time	Agenda	Participants	Description
		Room Cibeles, Cleopatra Hotel – Las Americas – Tenerife, Canary Islands		
01/04/2022	08h30 – 08h55	Welcome and Registration SOLAR2CHEM event		
	08h55 – 09h00	Opening Remarks		
	09h00 – 09h35	Prof. Alexander Cowan – University of Liverpool		
	09h35 – 10h10	Prof. Gabriele Centi – University of Messina		
	10h10 – 10h25	Break		
	10h25 – 11h00	Prof. Adélio Mendes – University of Porto		
	11h00 – 11h35	Dr. Fatwa F. Abdi – Helmholtz Zentrum Berlin		
	11h35 – 12h35	Lunch break		
	12h35 – 13h10	Prof. Sophia Haussener – École Polytechnique Fédérale de Lausanne		
	13h10 – 13h45	Dr. Luis Villalba – CTO of Sunrgyze project		
	13h45 – 14h20	Dr. Gaia Neri – Enapter		

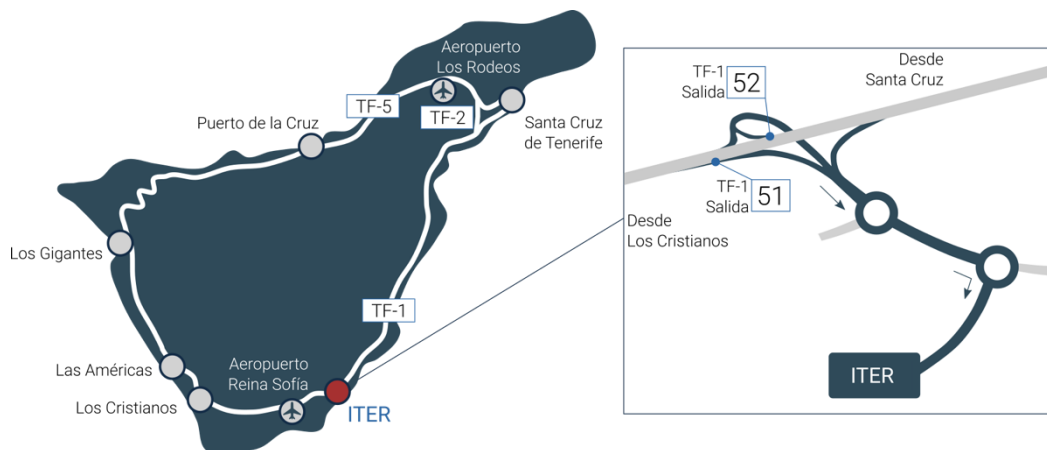

Date	Time	Agenda	Participants	Description
	14h20 – 14h55	TBC		
	14h55 – 15h10	Break		
	15h10 – 16h55	Round-table discussion, Q&A Closing remarks		
	16h55 – 18h00	Poster session		

Meeting venue (31st March)

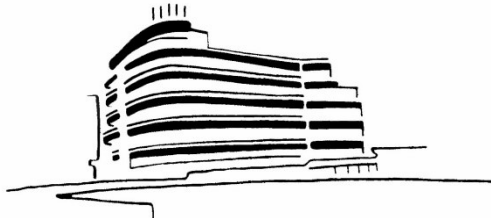

ITER – Polígono Industrial de Granadilla de Abona, S/n. 38600 Granadilla de Abona

Google maps: <https://goo.gl/maps/BsG7D951G8BHhgXS8>

Accommodation and meeting venue (30th and 1st April)

We have agreed accommodation at the hotel Cleopatra Palace located in Playa Las Americas (no code needed). This is the most appropriate given that the meeting venue is at the same hotel, but other alternatives are also available nearby.

You can book directly online at <https://marenostrumresort.com/en/> selecting hotel Cleopatra Palace, or call to the hotel at +34 922 757545.

Alternatives hotels near the venue:

- 1) Parque Santiago IV: <https://parquesantiagotenerife.es/>
- 2) Parque La Paz: <https://www.parquelapaz.com/en/>
- 3) Hotel Andorra: <https://www.hotelandorratenerife.com/>
- 4) Seafront Golden Mile Las Americas Hard Rock: <https://seafront-golden-mile-las-americas-hard-rock-aronatenerifehotel.net/en/>

TRAVEL INFORMATION

There are two airports in Tenerife. We recommend you book your flights, if possible, to arrive at Tenerife South Reina Sofia Airport, as it is much closer to the hotel. However, there is a bus connecting the airport at Tenerife North to the one in the South, if you rather book this option.

On these pages you will find all the information related to travel to Tenerife and staying on the island during the current Covid-19 situation. You will be able to check health and safety protocols and regulations:

- <https://www.hellocanaryislands.com/a-safe-destination/>
- <https://www.webtenerife.co.uk/blog/coronavirus/>
